

# Saginaw Bay District Clergy Retreat

Transforming Conflict & Tensions

**January 23 - 11:00 a.m. Thru**

**January 24 - ending at noon**

**Lake Louise United Methodist Camp  
and Retreat Center**

**Register by November 1st and SAVE!**

Come and join your District Superintendent, Rev. Jeff Maxwell, for a time of renewal and learning. There will be presentations that include group participation and there will be time to relax with fellowship and fun. Lake Louise is a beautiful spot for renewal at any time of year.

Our retreat leader will be Rev. Terry Gladstone who has worked for over 17 years helping churches and leaders transform conflict and tensions through a variety of biblically based approaches. You will leave with practical ideas and you will have time to think about your own particular situations.

Consider taking additional time to renew by staying the day before January 22 and/or the day after January 25 for \$35.00, each additional overnight stay.
